

# Adopt a *Family* 2022

*There are many families in San Joaquin County who will struggle this coming holiday season.*

*How  
you can  
help:*

- Adopt a child for the holidays (purchase gifts)
- Donate grocery store gift cards (\$25-\$50)
- Make a financial donation to the CAPC

\*The families that you adopt through the Adopt-A-Family program are currently receiving services from the CAPC and actively wanting to strengthen their family and improve their futures.
